WHY JMK

# Five reasons clients and investors choose us.

1. **On-time delivery**
   Over 100 projects completed on schedule.

2. **Proven experience**
   More than 5 years of construction and renovation across Edmonton.

3. **Licensed, insured, WCB compliant**
   Your project and your property are protected.

4. **Cost-effective planning**
   Design and layout planning included, so you avoid extra expense.

5. **Permits fully handled**
   We take care of Alberta building and renovation permits.

WHAT WE DO

# One team for every stage of your build.

From full home renovations to commercial fit-outs and site work.
